

MARCELO TAGÓRE HERNANDEZ

Tagore Hernandez has over 10 years experience in construction, architecture, interiors, furniture, and graphics with a diverse professional history. Tagore's strong background in design and construction is complemented by his experience on site and extensive experience in schematic planning as well as construction documents.

Additionally, Tagore has 6 years experience in antique restoration, traditional cabinet making, contemporary furniture design, and set design with a broad range of built projects in the US and Spain.
